What is public speaking?

Why public speak?

As a speaker, your role is to tell others about your ideas and persuade them to take some action. You have an idea that you want to share with a group of people. Many times, a speech can be an extremely effective method of communicating your thoughts.

What makes public speaking scary?

Understanding the roots of this common fear can help us conquer it faster!

1. Physiology

People often feel higher anxiety in certain situations

2. Thoughts

People's beliefs about their ability to speak. We often overestimate the stakes of communicating our ideas to others
